

## SERENITY ROOM APPLE TV

### IT Tips & Tricks

1. Turn on the TV by pressing the power button on the black Insignia remote.
2. If the Apple TV screen isn't up when the TV turns on, press the power button on the Apple TV remote.
3. If you still don't see the Apple TV screen, verify that the TV is on HDMI 1 by pressing the Input button on the black Insignia remote.

The Apple TV device is in what is called Kiosk mode and only runs the one app that comes up when the device is turned on. There is no ability to navigate to any other apps or TV programming.
